

Seven Mouths of Madness

Unanimated

Seven names of terror
Seven words alive
Seven mouths of madness
Seven signs and no hope
Seven gates

Burning soul - dissolution - cut all bonds
And commune with madness
And the lashes from the whip
With the lashes from the whip
Seven gates
Crucifixion- Crucifixion
eaten by worms
purged - purged
Risen from the grave

Seven swords
Seven signs
Seven gates - and no hope
Seven gates - and no hope
Eight gate
Immolation - immolation
Storms of blood and black flame
The lashes from the whip
The lashes from the whip
Ninth gate
Damnation sinks its talons
Abbadon Abbadon
Risen from the grave
