

## The Devil Rides Out

Unanimated

Seale down the soul, peeling off pieces  
de-emotionalize and galvanise  
as the venom burns  
let it itch its way into the mind  
unti you can't remember  
until you cant recall  
until the dying nerve is exposed  
until plague encloses the thoughts  
eating away at the intellect  
corrupting the minds of men  
until the devil rides  
the devil rides  
when the devil rides out  
when the devil rides - the devil rides  
until the devil rides - the devil rides  
on an evil night  
the devil  
where are the dark gods now?  
can you even remember their names?  
the virtue of deception  
maya - illusion  
what does the heart seek?  
does it wonder what everyone knows?  
inhale the incense  
what does the heart seek?  
raise the vessel  
what does the heart seek?  
Typhon, Set and Raliya  
TYPHON  
Are you readay to meet your maker?
