

Jaw Of The Hounds

Unaverage Gang

Yeah

Devil livin' inside my soul, don't know if he ever lettin' go
Succubus his heart she stole, fiening for love, no self control

Yeah

Delusional cranium insane, UNAVERAGE gang is keeping me sane, like David Bla
ine they thinkin' I changed, can not be tamed, we still stay the same

Yeah

Please don't tell me how to live my life, thinkin' I'm wrong but I know what
's right

Creepin' through the night, gash yo' neck with a knife, blood dripping down
the gutter in the moonlight, hoe

I know they don' wanna see me succeed, rather be watchin' me bleed, nobody h
elping to plead, toss them in the trunk of the '86 then I'm proceeding to gr
ieve

Yeah

Depression, obsession, compensation for progression

Never be second guessing, lucid dreamin' towards perfection

Depression, obsession, compensation for progression

Never be second guessing, lucid dreamin' towards perfection

All in my head I can never forget, never forget, yeah

All in my head I can never forget, never forget, yeah

All in my head I can never forget, never forget, yeah

All in my head I can never forget, never forget, yeah

Goin back the muthafucken basement, and fuck 3 years that I've been patient
Got my sanity risen I'm trappin' this tension these bitches are trippin' you
better keep up if you chasin'

Tastin the blood of a virgin, open you up like a surgeon

Closin these curtains, these bitches be squirtin', there's one thing for cer
tain I feel like I'm trippin'

Trippin' on black and red

I'm watchin' the fuckin' bullet pass from the blast from the head

Death from the hallows I can see you in the shadows, I can fuckin' care less
if you're alive or dead

Believe me it surrounds me, the darkness is where you can find me

Just open the Jaws Of The Hounds, this is where that soul that you lost can
be found

Yeah

Depression, obsession, compensation for progression

Never be second guessing, lucid dreamin' towards perfection

Depression, obsession, compensation for progression

Never be second guessing, lucid dreamin' towards perfection

All in my head I can never forget, never forget, yeah

All in my head I can never forget, never forget, yeah

All in my head I can never forget, never forget, yeah

All in my head I can never forget, never forget, yeah

Bitch I pull up in that '86

Triple 6, the way you thinkin' syllabus

Talking shit, you better wear your crucifix

Comin' for your head, I swear that I won't miss

Yeah, yeah, yeah

Cruising through my city so static, bustin' my bitch open on the mattress, m
ake her do backflips, feelin like Travis

Thinkin' I got her going insane doin acrobatics

Heading towards the path of no returnin'

I'm livin', I'm learning, I'm burning, I'm closing the curtain, I'm certain

That the other version livin' inside of me is the same person
