

# NOT A DISCIPLE

## Unaverage Gang

Runnin' through the muthafuckin' city with the Glocks up  
Bitches they gon' see me when I blow up  
Underground UNAVERAGE ain't sell our souls to be legends  
Bitches be mad  
Cause they ain't been mentioned  
Walkin' with the devil on my shoulder  
Messin' with the fuckin' inferno  
It could be normal  
UAV reppin' 702 that's the family  
Killin' these rappers like casualties  
After I projected my vision onto the reaper  
Been pursuing this life like a soul steala  
And I'm not givin' a fuck  
Whether these bitches are lookin' to touch  
Or lookin' to fuck, because of my name  
Now it's time to show your dedication  
Or you put it through fame  
'Cause I'm not like any other muthafucka  
That be tellin' one bad bitch, yeah you the same  
Don't fuckin' treat me like I'm your disciple  
Blessed muthafuckas don't believe in the Bible  
And if you hate on my style, Ill fornicate on your bed  
Put a bullet in your lungs and throw yo' ass in the shed

Never leveled up with this shit  
AK pointed at your muthafuckin' lip  
Yeah  
Never leveled up with this shit  
AK pointed at your muthafuckin' lip  
Yeah  
Never leveled up with this shit  
AK pointed at your muthafuckin' lip  
Yeah  
Never leveled up with this shit  
AK pointed at your muthafuckin' lip  
Yeah

UNAVERAGE GANG resurrection, been feeling so stressed coming straight from the pavement  
Tryin' to make a statement, playing bitches like a PlayStation  
Killin' muthafuckas so flagrant  
Flipping off the cops as I flock down the block with the Glock, won't stop till I gather my thoughts  
Never fallin' down like precipitation  
I been working every damn day, tryin' to fill up my fuckin' plate, killin' any motherfucker that hate  
Askin' me how do this, man, I do this this every day  
I have a bad bitch with me that steady slay  
Self-made man, so you better make way  
Pussy boy boutta get decayed  
U N A V E R A G E  
You know the fuckin' gang  
And if you ain't with it that's a shame  
Underground forever, we don't need the fuckin' fame
