

SPITFIRE

Unaverage Gang

Yung T.R.I.P in this bitch with my schizophrenic friends
Boutta burn this fuckin' venue down, 'cause I'm so fuckin' lit
Thought I told u pussy bitch, UAV Gang is up next
I ain't going back to bussin' tables, I'm bustin' a bitches nec
k

What up bitch? What it do? You feeling my presence when I step
in the room

I'm bringing the doom, hundreds of bodies, they dropping like F
ortnite, bitch, gimme the loot

I don't fuck with any bitches, I don't fuck with any snakes

If I catch you talking shit I blow the bazooka at yo brain hoe
Woah, I think this is "THE FINAL OVERDOSE" (Oh no)

Psychotic sick fucks, mental overload (Woah)

Stuck inside my mind fuck the antidotes

I'm speak in tongues with my demons blame the fuckin' Holy Ghos
t

Semi-automatic I arrive to cause the panic

It's the FINAL OVERDOSE with the manic me and T.R.I.P. Satanic
Chillin' deep within our fuckin' thoughts, and bitch it ain't a
t will

Never conceal, gonna be the mothafucka lookin' for a way to die
at will

When death occurs, the conscious blurs, you slippin' slowly

You feel dispersed, upon the earth the hands of Crowley

Life's a curse, I got the thirst to grab the shotty

I'm searchin' for the artifacts and all that isn't holy

Dodecahedron the footprints of my legion

Got black candles, rituals I reach out to my Heathens

Not preachin', I'm fetchin' for bloodshed for no reason

So fuck everybody that residin in the mothafucken Garden that I
'm eatin' hoe

Diabolical wicked releasing demons I'm sinister

Got these ominous visions malicious motives of killin' her

Fuckin' cut throat blood shows

Bloods on the kitchen floor

Case these bitches didn't know, call it final overdose

Fuckboys don't know the gang, talk shit let blood rain

Quickscope on bitch brain, you bitch lame, all bitch made, yuh

Gang on the mothafuckin' map

Made are way to the top while these bitches takin' naps

6 feet deep, I'ma fall asleep

Hear the bodies knockin', they been callin' me

Feel the demons crawling out from under me

I can feel his presence guess the devil finally came for me
