

Sit back and laughing at these pussies acting like they on to something  
If you ain't inside my circle, I can't fuck with you, you're nothing  
You just a waste of breath, bitch, fuck you and your set  
It's just of matter of time where T.R.I.P. came out to resurrect  
When you hear dat click clack bang  
Bitch fuck around and let them bodies hang  
Give a fuck on what you say  
I'm casually shitting on the game  
Bitch you better learn your place  
Looking stupid as fuck with those tats on your face  
Looking for murder you next on the case  
Dedicated the body bags all with your name

Blood spillin'  
Runnin' with a fuckin' AK  
Pull it back and make it spray  
Bitches fallin' call it fuckin' mayday  
Never weighin' on my conscience  
We just in the land of snakes  
Pass your feelins, I can't give a fuck  
On daybreak  
Never gonna find myself, and I hold that back  
But the problem with all you bitches, that you runnin' packs  
I like to stay out up outta public like the Men In Black  
Just grab the gat, I cock it back, and pull the trigger on facts  
Yeah

It's like damage and destruction and it's no falling back  
I'll snatch a hater off his block and trap you need to relax  
I'm creep creeping on a come up got the k with the mags  
I'm street sweeping ain't no running chop a snake up in half  
I come from da gutta underworld, got the .40 on the barrel  
Lift 'em up like a under curl  
Like a dog, I'm a thoroughbred bread  
I smell the fear dump you on the curb  
Let it all burn  
Youngins be killing, no feelings  
You fuck around shotty will blow off your ceiling dark days that we living  
A cynic a menace I'm sick and I'm dead inside bitches offended  
I take another hit from the kush now I'm ready for the lift off  
OG game shit vato never been soft  
They can't take the pressure really when I vent off  
Pussy boys fem talk lined up in chalk  
Fucking with a ex-  
con but I'm real with it nah I ain't gassing you up like a Exon  
Slithering hoes get stepped on if you ain't down with the shit, you can flip to the next song
