

We'll all ride that road Divine
We'll all see His face Divine
We'll all pass that gate Divine
There's room for everyone in Heaven
Meet your mother on that shore Divine
Take your brother to that door Divine
Know your father on that day Divine
There's room for everyone in Heaven
Don't matter what you think Divine
Don't matter what you say Divine
Don't matter who you blame Divine
There's room for everyone in Heaven
We'll be with everyone in Heaven

Everyone everyone everyone in Heaven
(We'll be with everyone in Heaven)
Oh up in Heaven
(We'll be with everyone in Heaven)
We'll meet our brother, our mother, our father, sister too
(We'll be with everyone in Heaven)
Meet me up in Heaven, brother
(We'll be with everyone in Heaven)
I'm waiting for you, up in Heaven
(We'll be with everyone in Heaven)
Come closer to Heaven
We'll be with everyone in Heaven
