

## Just Like That

Uncle Kracker

I can't put the champagne in your glass  
And go hob knob snobbin' with all the high class  
I can't rent a big white limousine  
Or pull a black AMEX out of my blue jeans

I don't know where I'm going but I'll take you along  
Sing you a song  
Slow dance all night long  
I ain't got money, diamonds or gold  
But if you want more love than your sweet heart can hold  
I'll love you just like that

I can't put a four carat on your hand  
Or go tourin' the Louvre in Paris, France  
Can't swing a Tiffany's shopping spree  
Or a coastal view on a private beach

I don't know where I'm going but I'll bring you along  
Sing you a song  
Slow dance all night long  
I ain't got money, diamonds or gold  
But if you want more love than your sweet heart can hold  
I'll love you just like that

Ain't got a dime  
Ain't got a clue  
But I'd give anything just to be with you

I don't know where I'm going but I'll take you along  
Sing you a song  
Slow dance all night long  
I ain't got money, diamonds or gold  
But if you want more love than your sweet heart can hold  
I'll love you just like that

I can love you like that  
I'll love you just like that  
Just like that
