

A God Man Is Gone

Uncle Murda

A good man is gone, a good man is gone gone gone, a good man is gone, a good man is gone gone gone if he had

I ain't shoot him I ain't kill that kid the police did it in front of 20 witnesses (nypd) that was a good man now that man dead they thought his phone was a gun so they shot him in his head who gonna police the police for what they did he had a job no felonys and two kids (he was a good man) shid tell the system to go da hell they been killing us out here way before sean bell (that's the truth) ya proably thought I was talkin bout sean bell but I was talkin about this other kid his name was jamell (rest in peace) he wasn't no thug son I went to skool with him he was like cornbread the whole hood was coool with him(he was) then the police shot him in the projects they said they thought they saw a shiny object (that was a phone) that kid ain't deserve to get shot he wasn't on it like me he wasn't livin like pac (damm)

That was a good man (pause) an the nypd killed him cause they thought his cellphone was a gun that's how it is in my hood that's what we gotta deal with in my hood(and I wonder what he would say)I wonder what he would say (pause) if he was here today(somebody got the devil to pay)

Yo remember little timothy (yea) he got killed apparently had some enimies(who) yea they hit him like 2 n da morning he was on the bench two kids walked up on him (uhh) damm he was out there hustling no pops his moms got high he ain't like struggglin even though she got high he loved his mother and everything thing he did was for him and his little brother (it was) he made sure he ate had clothes went to skool he did things that mommy and daddy was supposed to do (he was a man) he made a little 4 50 0 a day he wasn't greedy just making sure his fam was ok (that's it) now look where he was grindin at wasn't at block but he was cool niggas understood so they let him rock (they let him) but when there money startin slowin up they told him to stop (they told him) timmy wasn't hearing that an that's when timmy got shot(damm)

Damm he was a good man that's the game though I wonder what's gonna happen with his little brother I hope he aight damm man you heard he was just tryin feed his family everybody tryin feed their family in the hood(and I wonder what he would say)I wonder what he would say though (if he was hear today)if he was hear today(somebody got the devil to pay)

Let me tell you bout his o.g nigga name dave he was a thug but now he tryna change his ways (he found god) he done killed mad

niggas back in the days now he in the hood sayin put them guns away (stop the vilonce) this nigga dave really changed his life he be tryna talk to the youth tryna save their life (everyday) I can't believe that's killer dave preaching he say he tired o f all the vilonce he be seeing (uhh) he tellin them about thing s he did when he was younger explaning why it's not cool to sho ot another brother (that's not cool) they no offical so they li stening man they respect what he sayin when he kickin it man (t hey respect it) look they know he a g they know he put work in (they no) but you know they say the devil always working (satin) one of the kids he talkin too he killed his cuzin shawty shot dave in the head and took of running (damm)

Ain't that sumthin man it's like the devil always workin becaus e dave was tryna do good but his past caught up to him man like I'm confused I don't know if dave going to heaven or hell like and that's for real man like u kno damm yo I think he was a go od man though (and I wonder what he would say)I wonder if dave would forgive that kid (pause) I don't kno I don't know (somebo dy got the devil to pay) whoo
