

Balling Out

Uncle Murda

Balling out
We balling out
Grounding up them hoes when we call 'em out
Buying out the board then we throw 'em out
We talk about, bitch we balling out
Balling out, Balling out, Balling out
Buying out the board then we throw 'em out
Balling out, Balling out

I can spend your whole life in a day
In the club, you never seen so many bottles of rozay
Bitch I'm ballin but your friends be tryin to fuck me
In the club all in my ass telling me I get there fuck me
Bitch I'm ballin, look at my big chain, nice watch
Been there the whole baby girl you can't tell me I ain't 2Pac
Bitch I'm ballin', oh I can hypnotize like Biggie did
Ye you bagging up, with 2 hard sticks
Butt naked, in my crib
Bitch I'm balling, oh I'm balling like LeBron James
Rick Ross, D Wave after they made that big tray
Bitch I'm balling, you see me riding around that masse'
Yesterday it was a bentley, tomorrow that ferrari
Bitch I'm balling

Balling out
We balling out
Grounding up them hoes when we call 'em out
Buying out the board then we throw 'em out
We talk about, bitch we balling out
Balling out, Balling out, Balling out
Buying out the board then we throw 'em out
Balling out, Balling out

Mister Chopper Don, when you hear that noise
Knock the wing of your bentley, man off your horse
You wanna see me locked, sentenced in the cell
But that's the rock on ice, diddy on my cell
Leaned off the loso, paid that
Touch keys, piano man, reject
This that purple lean, smoke that purple leth
Before I signed the label, build up for real seats
Bitch we ballin' up, it's that hurricane
Toss some benz on, shorty hide your brain
Drama on wheels, fuck the shorty
Nigga get money, fuck yoga

Balling out
We balling out
Grounding up them hoes when we call 'em out
Buying out the board then we throw 'em out
We talk about, bitch we balling out
Balling out, Balling out, Balling out
Buying out the board then we throw 'em out
Balling out, Balling out
