That's why Bill cheated with the Monica Lewinsky bitch

Homies getting shot up in front of they kids

You think we give a fuck who the president is

I know the kid they shot but I'm cooler with the shooter

After he shot him, he robbed him, went to the jeweler

Huh, got niggas tucking their chain in

Crime pays when you putting that pain in

Her man got shot, look at her ungrateful ass

She ain't at the hospital, she in the club shaking her ass

He like, "His cousin was in the fifth grade with you."

I'm like, "Homie, I don't care who he related to"

I ain't losing no sleep over that dead nigga
