

I'm like who that? Oh, he think he flexin'?  
When he come to my state, homie gotta check in  
He gotta check in, homie gotta check in  
If he don't check in, watch when we catch him  
I'm like who that? Oh, he think he flexin'?  
When he come to my state, homie gotta check in  
He gotta check in, homie gotta check in  
If he don't check in, watch when we catch him

If you ain't from my city, I'm just sayin  
Holla at us, let us know you on the way in  
This the no flex zone, we done had enough  
It's one hand washed, the other, we gon' wash you up  
You gotta check in, or you getting checked  
And I hope you checking with a nigga, that nigga, is respect  
Drop the bag off, nigga, drop the bag off  
And I won't expose you, [?] get you mad soft  
You gotta check in, or you ain't gon last long  
I'mma tell them little hittas to go put their masks on  
They gon' take your watch off, they gon' take your watch off  
They gon' take your chain off, they gon' take your chain off  
Then put pictures all up on Instagram  
Frontin' with your chain on, frontin' with your chain on  
We watchin' who be spending money in the clubs here  
Like niggas gotta check in even if they from here

I'm like who that? Oh, he think he flexin'?  
When he come to my state, homie gotta check in  
He gotta check in, homie gotta check in  
If he don't check in, watch when we catch him  
I'm like who that? Oh, he think he flexin'?  
When he come to my state, homie gotta check in  
He gotta check in, homie gotta check in  
If he don't check in, watch when we catch him

Just hit the eastside of the 313  
On a mission tryna find me some motherfuckin' money  
This my city, bitch, deal with it  
Send my niggas for real for real with it  
I'm talkin' back when the master was real, the real dig it  
He ain't gotta [?] I promise you, here, get it  
Can easily make a non-believer work for you  
'Cause when they show up unannounced the little homies got work to do  
When they shining, we call that stimulus package  
Now the little homie's little homies is gettin' it crackin'  
What up though? What's happening?  
Tryna see what's up with that all of that trappin' that you been rappin'  
Who you talk to for you to do a walkthrough?  
Man, I ain't nobody tell you, this ain't what you thought, dude  
This an NFZ, that mean no fly zone  
If you think it's a joke then bring your punk-ass on

I'm like who that? Oh, he think he flexin'?  
When he come to my state, homie gotta check in  
He gotta check in, homie gotta check in  
If he don't check in, watch when we catch him  
I'm like who that? Oh, he think he flexin'?

When he come to my state, homie gotta check in  
He gotta check in, homie gotta check in  
If he don't check in, watch when we catch him

Gotta holla at the G's when you pop up  
'Fore little homies from the Stuy come and pop up  
Being out of place, boy, get you popped on  
You fool nigga, they'd treat you like you popcorn  
Bitch said come see her in her DM  
You came through for the wrong nigga BM  
You out of bounds, and you come from out of town  
You don't know the wolves, homie, you don't know the hounds  
You don't know the difference from a goon and a student  
Runnin' for your life when them boys start shootin'  
Boy start shootin', screaming for your maker  
Should've called me, could've called in a favor  
Look at how many rappers' chains I done got back  
How many things rappers had to buy back?  
You look sweet, niggas gon' try you  
You gon' need some killers just to cosign you

I'm like who that? Oh, he think he flexin  
When he come to my state, homie gotta check in  
He gotta check in, homie gotta check in  
If he don't check in, watch when we catch him  
I'm like who that? Oh, he think he flexin  
When he come to my state, homie gotta check in  
He gotta check in, homie gotta check in  
If he don't check in, watch when we catch him
