Uncle Murda

Man you got nothing to lose in this game by being persistent and consistent  
And not thinking that you could just get in and make a hundred million dollars  
'Cause that's not gonna happen, 1 million dollars  
Be glad to be making 30 thousand then make 50 thousand, then make a 100 thousand  
Then make 200 thousand, you know  
Make a career, I rather sell 10 million records over 10 years  
Than 10 million records once  
Because over the 10 years I'll make other things happen off of that 1 million record I sold every year  
You know make a career of it  
So you have nothing to lose as long as you're focused  
And building this as a career, this ain't  
As much as we compare to the drug game it's not the drug game  
Fuckin feds is watching, the police is watching, the streets is watching  
Everybody's watching so you have to be very serious about it  
And you know, deal with it accordingly  
I tell people I'm the garbage collector and the CEO  
I turn off the lights to make sure the air is off  
Because it's a business, everybody frontin like  
The money is non stop, it's non stop until it stops  
And then we'll see how non stop it is  
I've seen a lot of people come and go in this game so  
It's Chris Lighty
