Uncle Murda

She let me hit on the first day, cause I'm popular  
The next day on Instagram, I unfollowed her  
Now I'm very popular  
I'm very popular  
Got a bunch of shooters with me, I call the photographers  
If I wear some shit today, tomorrow it's popular  
If I fuck a chick today, tomorrow she popular  
Now I'm very popular  
I'm very popular  
Got a bunch of shooters with me, I call the photographers

I get shouted out like a hundred times when I'm in the club  
All they play is trap music, no boom bap music in the club  
All they do is bounce now, it's like they forgot how street it was  
Imma make the music niggas play before they hit the club, and when they leave the club  
I ain't never been a nobody, now I'm somebody everybody know  
She let me hit the first day, now she keep asking do that make her a ho?  
Can't forget about lil [?] and them, there's enough money for us all  
Niggas ain't been to church in years, I hear them praying on my downfall  
Looking like a couple dollars right now, tryna rob me, I let it bang  
You gon' need your whole gang gang gang and another gang  
King Kong ain't got shit on me, Denzel don't neither, nigga  
[?] still won't believe it, nigga

Bought a whole bunch of guns  
[?] keep a silencer  
Put a scope on the drum  
Yeah, that's my binoculars  
Doing shootouts on the block, it's hot like thermometers  
We was climbing to the top, these niggas was knocking us  
Oh you got [?] me, saw you in person, I know you don't get it, my niggas, they with it  
Stay on your pivot, [?] shots and leave hoes in your [?]  
Can't even tell them who did it, all you know it was a coupe  
Niggas was loose  
But the windows was tinted  
Came from the stoop  
Niggas, they know I'm the truth  
If I said it, I meant it  
Niggas, they front for the views  
I ain't [?]  
Now you all on the news  
These bitches, I get them in twos  
They like how I move  
I just pick and I choose

The front of the club, I pulled up in the coupe  
You ain't part of the gang, you not in the loop  
Your bitch got the world, and she gave me the scoop  
Hittas, they coming to tear up your roof
