Selling product in my environment, I got hard white (I got it!)  
Screaming "Free My Niggas!" Dat I know never coming home  
I strapped, risking my freedom nigga can't leave dat gun at home (waz gud!?)  
Never got it on safety, too many niggas hate me  
Got interrogated for hours, police couldn't break me (they couldn't!)

Niggas fold under pressure when dey hear dem numbers  
Niggas start thinking bout missing all of dem summers  
Now you making statement bout nigga's ya mans shot  
You ratting on niggas dat you was with in the sandbox (goddamn!)  
Crime don't pay when you do it with suckas  
I do shit by myself or with niggas dat's like my brova's  
Loyalty is rare when you dealing with street niggas  
I fuck with who I fuck with, I un'be tryna meet niggas (nah!)  
No dapping niggas, it's ah head-nod when I greet niggas  
I'm 'Social Distancing', play me six-feet niggas! (woo!)  
Feds got "all eyez on me" like Biggie Opp  
If ah body drop in my hood dey think I got da nigga shot  
It wasn't me, but my nigga did get the nigga hit  
Police tryna figure out weekly, how many bricks we flip  
The first head-shot killed him, his eyes rolled in his head  
The other three was just to make sure that the nigga dead  
Real talk, who talking like dis?  
Don't talk about how ya almost shot me if all ya did was miss  
I been shot at with better guns, fuck you was shooting nigga!?  
Ya shit was going 'pow-pow', it wasn't 'BOOMING' nigga! (it wasn't booming!)  
Dey un'make niggas like me no more, my nigga
