

10pm

underscores

It's 10 pm and I haven't talked to you yet  
I guess I'll see you tomorrow, I hope I see you tomorrow

I guess I'll see you tomorrow (guess I'll see you tomorrow)  
(Guess I'll see you tomorrow)  
(Guess I'll see you tomorrow)  
(Guess I'll see you tomorrow)  
(Guess I'll see you tomorrow)

Carry a burden on your back now  
Said you were certain I would act out (kinda feels like you keep me sane)  
Kinda feels like you keep me sane (guess I'll see you tomorrow)

I guess I'll see you tomorrow, I hope I see you tomorrow

1, 2, 3, 4 (thank you)  
1, 2, 3, 4  
1, 2, 3, 4 (thank you)  
1, 2, 3, 4

Carry on, sorry if I left out  
Barriers when all we got are rainbows (kinda feels like you keep me sane)  
Kinda feels like you keep me sane
