

## Cops And Robbers

underscores

I've been working as a bank teller for like eleven years  
It all started when I didn't have enough to pay for the crystal  
And ain't it funny how, out of nowhere, all this money appears?  
I've got a cash drawer and a keyboard, and I've got all of your  
info

When's the last time you saw someone with a ski mask and a gun?  
Get on the inside  
You gotta do it, gotta do it, gotta do it like me  
When's the last time you saw someone with a ski mask and a gun?  
Get on the inside  
You gotta do it, gotta do it, gotta do it like me

I write false checks, I plant the counterfeits, I trim the fat  
from the vault  
I need a John Smith or a Jane Doe, the more common the better  
I resurrect the dead, I hit the ATM, and I've never been caught  
I'm not the bad guy, like it's just sitting there, and the dead  
ain't getting any deader

When's the last time you saw someone with a ski mask and a gun?  
Get on the inside  
You gotta do it, gotta do it, gotta do it like me  
When's the last time you saw someone with a ski mask and a gun?  
Get on the inside  
You gotta do it, gotta do it, gotta do it like  
You gotta do it like me

It's a long con, when you catch me, I'll be long gone  
It's a long road and I'll be on it till the case goes cold  
So long, when you catch me, I'll be long gone  
It's a long road and I'll be on it till the case goes cold

I'm in the Super 8 and I've been MIA for like the past three da  
ys  
My family hates me 'cause I heard the APB and I made a run for  
the country  
I found a small town, somewhere to hide out until I'm sure that  
it's safe  
'Cause I hid a suitcase in the crawl space and it's full of all  
of your money

When's the last time you saw someone with a ski mask and a gun?  
Get on the inside  
You gotta do it, gotta do it, gotta do it like me  
When's the last time you saw someone with a ski mask and a gun?

You gotta do it, gotta do it, gotta do it like
