

Do I Really Need To Be Here?

underscores

What do you need

What do I need?

I'm not- I'm not really sure

Yeah, I don't know

I - I've never been too great with

I'm not great with talking to people um

Is that, is that enough reason to be here though?

You know

Can I just figure this out myself

Like, do I really- Do I really need to be here?
