

Kinko's field trip 2006

underscores

Never have I ever, no I haven't and I bet I probably won't
(Oh)
Don't ask me how I'm doin', how I do it, chances are I probably
don't (Ah yeah)
I let admiration get to my head
Fuck celebrities, I might as well just copy my friends
And if only I knew who it is they think that I am
Shed some confidence 'cause I don't wanna have to pretend
(Anymore)

Hey, I think I'm full of it
Hey, I must be full of it
Hey, I think I'm full of it
Hey, I must be full of it

Several hidden shots to the chest
How did you get everyone to think that you were depressed?
Tell me if it's not on purpose, why'd you do it again?
Just admit it, you don't have a world that you're up against
(Anymore)

Hey, I think I'm full of it
Hey, I must be full of it
Hey, I think I'm full of it
Hey, I must be full of it
Hey, I think I'm full of it
Hey, I must be full of it

Hey, I think I'm full of it
(Celebrity?)
(B-B-B-Best friend ever, hah-h-h-h-h)
(It's the new wave of the future!)

Hey, I must be full of it
