Skincare, said I'd try some months ago  
Couldn't make up my mind but I guess we've all  
Been there- ere- ere-, can my voice of reason help me out  
Give me something to distract me from the texture of my hair  
Ahhh

I'm sorry  
What are you sorry for?  
There's-just a really big decision that's been weighing  
on my mind recently, and my logical side is not really a part  
of this one  
It's okay at your age to feel these types of emotions pretty st  
rongly  
It's a big decision  
I'm going to assume something, is that fine  
Um-  
Does this have anything to do with your-
