

twisted lines

underscores

Can you feel it taking over you
Losing her vision as you just turn loose
Come on baby and let that green go go-go hazy
Let the music play all night (all night)

I can feel it taking over ouu
Serve up another, now I found my groove
Going to the mooning rise
Yes I'm deeper and deeper 'til I lose all time

Twisted lines (twisted lines)
And we can just get lost tonight (ye, let's get lost tonight, ye)
Twisted lines (twisted liens)
And we can just get lost tonight (ha, ye, let's get lost tonight)

Twisted lines
And we can just get lost tonight (uh huh, ye, let's get lost tonight)
Twisted lines
And we can just get lost tonight (ha, ye, let's get lost tonight)
Twisted lines
And we can just get lost tonight (uh, let's get lost tonight)
Twisted lines
And we can just get lost tonight (ye, ye, let's get lost tonight)

Woah
You lost yourself
And in the same moment yea you found yourself
Mix the OJ, okay, down it, drown it
Faux foes, the words get slurred
You can feel the bass in the beat when the beat drop
You gonna show your ass from NYC to C-dot
I don't give a fuck
Nigga I went there
Wake up like how the hell I get here

Twenty-twenty turned askew (twenty-twenty turned askew)
Can't you feel I'm in the groove (can't you feel I'm in the groove)
All these lights (all these lights)
Shine so bright (shine so bright)
All these lights (all these lights)
Twisted lines it's a hell of a night

Twisted lines
And we can just get lost tonight (uh huh, ye, let's get lost tonight,
ye)
Twisted lines
And we can just get lost tonight (ha, ye, let's get lost tonight)

Uh, let's get lost tonight
Ye, ye, let's get lost tonight
