

## Custard Speedtalk

### Underworld

From the gutter to the STARS  
You look up into the pale light of an underground train  
Vibrant Red  
Perfection

Underneath the skin  
We will never meet again  
I don't know what it is about me

"I can't be soft at work  
I'd be eaten alive  
If they worked me out  
I don't know how to undo that"

You're really good  
At making people feel good  
Not because the way you dress  
I think it's in your jeans  
I know I wish I was!

You don't know what's going on!  
But you're not stupid  
You refuse to change!  
But I'm much more well rounded

The one you're with now  
Is spiteful  
The one you're with now  
Is mean and selfish  
You don't realise what a mess you're in!  
Listen to yourself
