What's that voice?
Is it in my head?
Is it in my head?
Is it in my head?

What's that voice?
Is it in my head?
Is it in my head?
Is it outside my head?

What's that voice?
Is it in my head?
Is it in my head?
Is it outside my head?

My head!
My head!
My head!

My head!

What's that voice?
Is it in my head?
Is it in my head?
Is it outside my head?

I'm sittin' like a hole in the ground
I'm sittin' in a hole in the ground
I'm sittin' like Alice in Wonderland

What's that voice?
Is it in my head?
Is it in my head?

I'm sittin' in a hole in the ground
I'm sittin' in a hole in the ground
I'm sittin' in a hole in the ground
The ground
