

## Imagine a Box

Underworld

It was so easy  
Fairytale summers  
Laughter  
Leave the lights on  
Land in light  
Leave the lights on

Check your breathing  
Laughing  
The healing  
The best thing  
Leave the lights on  
Land in light  
Leave the lights on  
The lights on  
The lights on  
The lights on  
The lights on  
The lights on  
The lights on

You gotta get another one  
Another one  
You gotta get another one  
Another one

Oh, God  
Oh, God  
It's that sound again  
Turn it on  
Turn it over  
Turn it on  
Turn it over

New York  
New York  
New York

You gotta get another one  
Another one  
You gotta get another one  
Another one

Oh, God  
It's that sound again
