(anatan o yume ni watashi wo tamoteru)
Can you hold me in your dreams
(watashi wo kanjiru koto ga dekiruno
Watashi ga anata wo kanjiru youni)
Can you feel me like I feel you
(anatan o yume ni watashi wo tamoteru)
Can you hold me in your dreams
(anatan o yume ni watashi wo tamoteru)
Can you hold me in your dreams
(watashi wo kanjiru koto ga dekiruno
Watashi ga anata wo kanjiru youni)
Can you feel me like I feel you
Goodbye mother earth
Goodgoodbye mother earth
Can you feel me like I feel you
I don't want to kill time
I want it to live
I'm not wasting this life
I'm letting it in
You
Just rip off the planet
And take what you want
I'm
Coming to get you
If you give up
Beautiful destination
What's it worth
Beautiful destination
Goodbye mother earth
I
Am all that surrounds you
The earth and the sky
You
You're the mouth and the money
That's bleeding me dry
Why
I am not a spirit of the world
I heal the spirit of the world
I am not a spirit of the world
Goodbye mother earth
(kocchi da)
Its a beautiful destination
(kocchi da)
For what its worth
(kocchi da)
A beautiful destination
(kocchi da)
Goodbye mother earth
Its a beautiful destination
For what its worth
Its a beautiful destination
Goodbye mother earth
Its a beautiful destination
For what its worth
Its a beautiful destination
Goodbye mother earth
