Underworld

That's you by my abyss it's beautiful today whatcha gonna do i'm happy

i'm really happy i brought her these sorted rolls great it's bl
ue ok

scream it's a girl they sit the salty waterskin 1439 liverpool streets

i feel some release smiling behind her smiling in air condition ing house

do you want this weather no they say i'm twentythree degrees a new meat

i wish it would rain soon

wilting yes in funky cummerbund yes sporting a new peacoat yes my machine

straight out of new velveteen riding soulfaced into liverpool streets

try her on the wall chewing on the wall d'you know that hasbeen d'you

know why throat dust starving at the back wall slow motion sham big tv

high shared list 257LD4 may we remind you this is a nosmoking area two

rubber shoes and leave me tonight at the side of the road rack dust dogdust

rubber glove part rat so much brown and grey the phone slips ou \boldsymbol{t} of the tuning

on the rails your face with numbers in the yellow between the c racks

fortythree sixtyeight i'll be crossed metal bars waiting to sli ${\bf p}$ into the

shade something cool this geezer keeps staring at me
