For someone
The rhythm of kickin'
The rhythm of kickin'
Got to get away

Moving on
Moving on
Push, push, push, push
Push, push, push, push

Quick, slow
Lose time
Unbuttonin'
Warm, warm, warm, warm
Quick, slow
Lose time
Unbuttonin'
Warm, warm, warm, warm

Moving on
Push, push, push, push
Push, push, push, push
Moving on
Connected to the soul
Push, push, push, push
Push, push, push, push
Warm, warm, warm, warm

Whose words are these

Written on walls?
Whose time is comin'?
Who finds the flames?
Who names like names?
Who points the finger?
The age of diplomacy
The temple of time
The sleepin' band
Of doorways
And the charm of a crime
That wouldn't do it anymore
Is appearin'
Tell me
I'm not crazy
Tell me
I'm not crazy
