

Sidewinder

Unearth

Face the undoing
Penance earned, torment received
Forlorn forever
Cowardly seeking reprieve

A call to arms for the righteous
Siphon venom from the wretched thieves
Cut the tongue of the wicked one
Retribution flushes out the disease

Sidewinder
Waging war on reality
Sidewinder
Selling fear to the bigoted
Sidewinder
Unequivocal degradation
Sidewinder

Sever the head of the slithering
Sever the head

Unholy hell is awaiting
A full eclipse of this reign of contempt
The masses form with a vengeance
Delay the fall of man for a day

Sidewinder
Waging war on reality
Sidewinder
Selling fear to the bigoted
Sidewinder
Unequivocal degradation
Sidewinder

(A call to arms for the righteous)
(Siphon venom from the wretched thieves)
(Cut the tongue of the wicked one)
(Retribution flushes out the disease)

Sever the head of the slithering
Sever the head of the slithering
Sever the head of the slithering
Sever the head of the slithering
Sidewinder!
