

Warrior Souls

Unearth

Betrayers; deceive
Decades of procrastination
Engulfed in devastation

Terrorize
Enforce the fight for tomorrow
Sacrifice
End the reign of the fabulists

Bask in the blood of our demons
This world it must endure
Free us from the heretics
By the wielding of the sword
Bask in the blood of our demons
This world it must endure
Free us from the heretics
By the wielding of the sword

Armed for our rise
Conquer and recolonize
Armed for our rise
Conquer and recolonize

Smother the lies
Our downfall must be broken
The warrior souls awaken

Terrorize
Enforce the fight for tomorrow
Sacrifice
End the reign of the fabulists
