Get Up! Stand Up!

Ungu

Di kala cinta mulai mengoyak rasa
Hati yang ceria mulai berubah gundah
Hari-harimu terasa gelap
Tak ada lagi cahaya

Pernahkah kau berpikir bahwa kau hanya
(Membuang) waktumu dengan percuma
Mari berdiri, angkat tanganmu
Hey brother, hey sister, dan kalian semua

Get up, stand up, keep on your hands up
Now sing it (heiii hooo heiii hooo)
Get up, stand up, keep on your hands up
Now sing it (heiii hooo heiii hooo)

Pernahkah kau berpikir bahwa kau hanya
Membuang waktumu dengan percuma
Mari berdiri, angkat tanganmu
Hey brother, hey sister, dan kalian semua

Get up, stand up, keep on your hands up
Now sing it (heiii hooo heiii hooo)
Get up, stand up, keep on your hands up
Now sing it (heiii hooo heiii hooo)

(You gotta get up) you gotta get up
(You gotta stand up) you gotta stand up, yeah oh oh oh

Get up, stand up, keep on your hands up
Now sing it (heiii hooo heiii hooo)
Get up, stand up, keep on your hands up
Now sing it (heiii hooo) now sing it (heiii hooo)

Get up and stand up, keep on your hands up
You gotta stand up (heiii hooo) get up and stand up (heiii hooo
)
Get up and stand up, keep on your hands up
You gotta stand up (heiii hooo) get up and stand up (heiii hooo
)
