

Cain

Unida

Hey
Can I buy you
and the sea?
and I'll take all of you
well then fly
and then fly
and I'll drag you out, yeah
??
and I'll take you so much higher
like you've never known
time, time, time
and I'll bet you never mind
nailed to the wall
nailed to the wall
you've gone through hell and back
saving my name

???

Cuz all I needed was ?? heaven
never needed all that hell
if all i gave is close to nothing
but still

hey man
