

Smile

Union J

You're my shoulder to cry on
The one I, rely on
You're the reason for my smile
'Cause you go that extra mile

I got this feeling in my heart
You're beautiful for sure
Inside and out
From your head to the floor
You're all over perfection
You're eyes are like a weapon

They shot me
Down down down down
Love knocked me
Out out out out
You fix me like a band aid, girl
Swear you never leave me

You pick me up when I'm down
Every hug turns a frown
Nothing else matters now

You got that smile, etched on my heart like a tattoo
You got that smile, happiness when I'm down and blue
You got that smile, that I treasure
Oh' cause you make me smile smile
Smile, smile

That's why I love to love you
Why I love to love you
Why I love to love you
Yeah
