

# I'll Break Your Little Heart

Unique

I'll break your little heart  
I can break your little heart to my own  
I'll break it today, or tomorrow  
'til everything is gone  
I know what to say  
I can pretty see  
Tell me what you hear  
No, give a fuck to me, o-oh  
Lalalalalalalala

I'll break your little heart  
I can break your little heart to my own  
I'll break it today, or tomorrow  
'til everything is gone  
I know what to say  
I can pretty see  
Tell me what you hear  
No, give a fuck to me, o-oh  
Lalalalalalalala

I'll throw your little heart  
I'll throw your little heart

Look you've been gone o-o-o-old  
The angels made halo-o-o-os  
We're trying the good things together  
Things together

There's no other, there's no other way  
There's no other, there's no other way

I'll throw your little heart  
I'll throw your little heart

Look you've been gone o-o-o-old  
The angels made halo-o-o-os  
We're trying the good things together  
Things together

There's no other, there's no other way  
There's no other, there's no other way  
There's no other, there's no other way  
There's no other, there's no other way
