

Whatchu Need

UNIS

I'm lovely, my vibe
My things and my style
Got all lights on me
And all eyes on me
Wanna know my A to Z
I'm the one, the only
Everyone surrounds me
Every time in this kind of mood
Everybody loves 'cause I'm the muse

Maybe you can find me up in Vogue
Everywhere I'm there you always know
Bad days behind me, they can't define me
As long as I move

I'll take your sight, I know you like
Double tappin', like-heart
Strike a pose, so nice, everybody likes
You can tell me now

What you need? 'Cause you know we got it
We UNIS and you know we're all in
Always gonna shine, UNIS
What you need? Know you vibin' to it
What you need? 'Cause we just icy coolin'
Livin' our life, UNIS

Take a picture if you gonna stare
I won't be mad if you do
Say my name, you know why I came
It's my time for you
I'm changeable, I can be bad
I can be good if you like that
Gotta say the word doin' my thing
Now or never, yeah, we do it big

Maybe you can find us on the screen
Everywhere you look we run the scene
We got that beauty, shinin' like rubies
We're chosen for you hoo

I'll take your sight, I know you like
Double tappin', like-heart
Giving my wink, oh, everybody folds
You can tell me now

What you need? 'Cause you know we got it
We UNIS and you know we're all in
Always gonna shine, UNIS
What you need? Know you vibin' to it
What you need? 'Cause we just icy coolin'
Livin' our life, UNIS

Oh, anything you wanna be
Anything you wanna see
We got what you need
Ready for what we got

That's how we do it right
We never miss it
Tell me what you need
UNIS

What you need? 'Cause you know we got it
We UNIS and you know we're all in
Always gonna shine, UNIS
What you need? Know you vibin' to it
What you need? 'Cause we just icy coolin'
Livin' our life, UNIS

Ooh-ooh, ooh-ooh-ooh-ooh
UNIS (That's me), UNIS (That's we)
What you need? What you need? What you need? Ooh
Ooh-ooh, ooh-ooh-ooh-ooh (Hey, yeah)
UNIS (That's me), UNIS (That's we)
What you need? What you need? What you need? Ooh
