Everything was going wrong, time to believe
And could we find a way out of this mess we're in?

I want to hold you close to me, so you can know
How I really feel for you, just one more chance
I didn't realize, I'm only human after all

It's just the way we are
Not the way things turn
It's another long
Hard lesson to learn, unless we…

Give and take
Give and take
Give and take

It's just the way we are
Not the things we do
It's the dreams we make
When we're wide awake, so let's…

Give and take
Give and take
Give and take
