

Rule of 3s

Unitopia

Three galaxies to explore
Third planet fed by Sol
Three parts of an atom
Spinning 'round and 'round
Third world to gain control

Three notes in a triad
Three chords in the Blues
Three truths for a witness
Three wise monkeys watching you

Do all things come in threes?
The sweet triangular beauty
The soulful symmetry
Convinces absolutely

Three wonders of the pyramid
Reaches to the skies
Honoring three Egyptian gods
A warning to the wise

Three fates dance in triple time
Around three stars of Orion
Three parts to the mythic beast
The snake, the goat and the lion

Do all things come in threes?
The sweet triangular beauty
The soulful symmetry
Convinces absolutely (2x)

Three laws of robotics
Three gifts of the wise
Thirty three and a third
Knock three times to hear me

Do all things come in threes?
The sweet triangular beauty
The soulful symmetry
Convinces absolutely
