Fuck all the keepin'  
Smoke 'em they tweakin'

I used to be cool with mothafuckas  
Nowadays they only like me cause they see I'm up  
Wack  
I'll make a fool out of a mothafucka  
Cause they only want to show me all that fake love  
Huh

You don't even love yoself because yo life ain't rough

Cause everybody, all they wanna be is cool enough

Broke ass nigga, you be goin' nowhere

Quit talkin' about who else  
And worry bout yo fuckin' grind  
Cause mothafuckas be up in sum shit like all the time  
Clout chasin' 24/7 but I don't pay no mind  
What you really want, hoe, what you really need  
Keep my name up out ya mouth, just bite your tongue and bleed
