I used to look up to you  
And now that I know the truth  
I could never get my life back  
Wasted time thanks to you

Now I don't know what do  
Cause all my life  
I been fooled  
Believing you were someone  
I should have been coming to

I used to look up to you  
And now that I know the truth  
I could never get my life back  
Wasted time thanks to you

Now I don't know what do  
Cause all my life  
I been fooled  
Believing you were the one  
Wanted to be like you

It never used to be this complicated  
I'm fueling off my complacency  
And I waited to see that you weren't there for me

What the fuck I'm supposed to do  
I'm just a kid  
Needing love but I got the truth

You know  
Nothing the same

I can't complain

But

You were so cold  
Hard to remember the days  
When I look back  
There's something but nothing that I cannot change  
Still you been a coward for that

Look at me now  
Hope you so proud  
But fuck you for walkin away  
And I mean that

No blood  
No love  
Only this knife  
You left in my back

In my back  
Feel this pain  
Push away  
Stay the same

I know you'll never  
Wake up  
Its like you're dead  
To  
Me

Don't come back  
Feel that pain  
Stay away  
Cause you won't change  
You're fuckin dead  
To  
Me

(It never used to be this complicated)

(Now that's changed  
Now that's changed  
Not no more)

What the fuck am I supposed to do

I used to look up to you

I used to look up to you  
And now that I know the truth  
I could never get my life back  
Wasted time thanks to you

Now I don't know what do
