

Everyone's a critic with something to say  
Just because what we do doesn't work out your way  
So you can get with this or you can get out; just know that nothing ends well  
When you run your fuckin' mouth, bitch

It ain't hard to tell, everyone's a hypocrite  
Cause everybody talks but nobody does shit  
Mess around and get ya wig split, you don't know what I'm 'bout  
Yo I'll fuckin' stomp you out
