

Burn My Shadow

UNKLE

I have burned my tomorrow
And I stand inside today
At the edge of the future
And my dreams all fade away

I have burned my tomorrow
And I stand inside today
At the edge of the future
And my dreams all fade away

And burn my shadow away
And burn my shadow away

Fate's my destroyer
I was ambushed by the light
And you judged me once for falling
This wounded heart arrives

And burn my shadow away
And burn my shadow away

When I see the light
True love forever
Burn my shadow
When I see the light
True love forever
When I see the light
True love forever
Oh burn my shadow
When I see the light
True love forever
Away

And burn my shadow away
Oh how I loved you
