

Can't Hurt

UNKLE

You can't hurt me now
You can't hurt me now
Never is easy
Never is easy
Just think what you're sayin'

You know that I won't bleed
Just try to cut me
You know that I won't bruise
Just try to beat me
You know that I won't burn
Just try to light me
You know that I won't die
Just try to kill me

No, I won't let go
No, I won't let go
Never is easy
Never is easy
Never is easy
Exist in the shadows

You can't cut me now
You can't cut me now
Never is easy
Never is easy
Never is easy
Exist in the shadows

You know that I won't bleed
Just try to cut me
You know that I won't bruise
Just try to beat me
You know that I won't burn
Just try to light me
You know that I won't die
Just try to kill me

You can't hurt, you can't hurt, you can't hurt me
You assume all about this, about me
In a world that consumes me completely
On a day when I don't trust myself

You know that I won't bleed
Just try to cut me
You know that I won't bruise
Just try to beat me
You know that I won't burn
Just try to light me
You know that I won't die
Just try to kill me

You can't hurt, you can't hurt, you can't hurt me
You assume all about this, about me
In a world that consumes me completely
On a day when I don't trust myself

You can't hurt, you can't hurt, you can't hurt me
You assume all about this, about me
In a world that consumes me completely
On a day when I don't trust myself
