

# Lawless

UNKLE

In the dead of night  
I become someone else  
Cut all my ties  
Blow my mind off the shelf

We're the lawless brigade  
Up all night, up all night  
We're the lawless brigade  
Up all night and no strain

Let it rise  
Way out of control  
You can't disguise  
What's inevitable

We're the lawless brigade  
Up all night and, up all night  
We're the lawless brigade  
Up all night, no strain

Ooo-aaoh  
Ooo-aaoh  
Ooo-aaoh

'Cause your time is getting more than ever

In the dead of night  
I become someone else  
Cut all my ties  
Blow my mind off the shelf

We're the lawless brigade  
Up all night and, up all night  
We're the lawless brigade  
Up all night, no strain

We're the lawless brigade  
Up all night and, up all night  
We're the lawless brigade  
Up all night, no strain
