

Long Gone

UNKLE

When all the lies don't turn out right
And without meaning you start a fight
You don't believe you ever wanted

Hard to hear but start again
All you need is time and then
You don't believe it though you want to

And you don't need to show your right
You can always change your mind
And other things that we were told too

So raise back up again
Forgive your long gone friends
And keep on moving
Keep on moving
Oh raise back up again
Though your heart is caving in
And keep on moving
Keep on moving

Keep on moving
Keep on moving

All good people go in time
All the cowboys fall in line
All the leading men are gone too

Who will come to save our day?
Who'll remember what to say
When all the fairy tails were wrong too?

Just raise back up again
Forgive your long gone friends
And keep on moving
Keep on moving
Yeah raise back up again
Forgive your long gone friends
Just keep on moving
Keep on moving
Yeah raise back up again
Though your heart is caving in
Keep on moving
Just keep on moving

Keep on moving
