

## Powder Man

UNKLE

Powder man  
Powder man  
How do they ever  
Let you in  
Go back to one  
Start again  
Get outside  
While you can

On the run  
Down we met  
You don't get  
Nothing yet  
Falling back  
Against the sand  
Waiting for  
Powder man

Powder man  
Powder man  
How do they ever  
Let you in  
Go back to one  
Start again  
Get outside  
While you can

On the run  
Down we met  
You don't get  
Nothing yet  
Falling back  
Against the sand  
Waiting for
