

Weekend Run

Unknown Mortal Orchestra

We'll be lost in love
The weekend run
Yeah we'll be lost in love
When the weekend comes
Yeah we'll be lost in love
The weekend run
Yeah we'll be hiding from
The weekend sun

Take me back to things as normal
Monday, Tuesday, Wednesday, Thursday
Working every day of your life
Monday, Tuesday, Wednesday, Thursday
Watching all the days passing by
Monday, Tuesday, Wednesday, Thursday
Just woke up and oh my god it's
Friday Friday Friday
I can't believe it's almost perfect velvet freedom
Saturday Saturday Saturday

We'll be lost in love
The weekend run
Yeah we'll be lost in love
When the weekend comes
Yeah we'll be lost in love
The weekend run
Yeah we'll be hiding from
The weekend sun

Take me back to things as normal
