Ambition, they're my main ambition Unknown T, that my main ambition

Late night studio, sittin' with my brodie I got the right to cop another stony Scrape up the rizz with a pokey Them other niggas phoney I'm the plug now, you didn't show me Thank God, every time I get back from Tizzy Now I'm fuckin' with diggys, get that back-road lizzy Used to fuck with hoes, now my drip set froze And my yutes on hold, cah my phone too busy Roll a ziggy while I'm flingin' out dem packs, Biggie, Biggie I'm trappin' for the angels that are with me So Imma get it quickly, VVS and diamonds on my pinky Bag a hundred bands, that's the misshie I don't know who's real, so my lips stay sealed Put your creps on, bro, let's get this quid for real Put your creps on, bro, let's get this quid for real I'm killing niggas on the curb, now my shit too true Yo my shit too real I put weight on my name little homie, now there's label deals I put weight on my name, now the paigons feel From London Fields, to the Navy SEALS

They don't know how I came, but I came with a vision I'm comin' for the game, that's my main ambition
They don't know how I came, but I came with a vision
I'm comin' for the game, that's my main ambition

Flip a pack, no delay Don't give a dumb pay Tek the whole yea, I'mma mek my own wage And my money ain't solid, I'mma mek it different ways I won't beg a bitch to stay Trappin' in the day Trapstar drip, Alexander McQueen I got old friends, I bring all of my team Life's a mess so I walk in a dream My old tings' vexed, baby gyal shoulda see Don't be actin' like we coughin', we huggin' and we fuckin' I got the phone ringin' and I thought a nigga tug in I got the phone ringin', now there's hella bitches comin' Conversation with the dance and you're the only one I wanting Hold it down B, I'm a hood one that's cunnin' It's winner time, brush away the other nigga fuckin'

They don't know how I came, but I came with a vision I'm comin' for the game, that's my main ambition
They don't know how I came, but I came with a vision
I'm comin' for the game, that's my main ambition

Ambition, they're my main ambition They're my main ambition
