

## EAST

Unknown T

(Gotcha!)

(R14)

East, that's H-A-cock  
We hold the ropes, right now it's a relay  
My paigons sign out, no eBay  
Boom let it buss, ride outs, no delay  
Brozay's in the front, I'm Pique  
Who said it's us? That's he say, she say  
Inject to the max, no TK  
Corn for the opps, no chat like BK

Listen, leather glove or latex when we rising the choppa  
There's jawbreakers in the brucka  
Chilling on a case with indictments in the woka  
I let my dreads hang, Wocka Flocka  
GS in the locker  
Backroad beating the party popper  
Front seat bop with the pumpy  
Booting the ball like soccer  
The opps feel shots like vodka  
Knees up, no Pogba  
Creep wid da long bar  
Lift and rass it to bumba  
Any beef we keep diceing proper  
I'm in the ding glide for the blocka  
Yeah, what a shocker  
Somebody found that mocha  
Scream Cala-boca  
Lick new price new glock, new ballah  
Might feed her roka, that's uptown supper

Step on timing  
Dodge the indicements  
Grab a bulldog den bite him  
G check, get a drop then fine him  
No time for talk, let's bind him, grrr, bow!  
No trace got caught, why the poems enquiring?  
6 week trial, y, the case got tiring  
Thick legs, thick bum, stop scheming her dress  
That's my ting

Listenspin a opp block  
One month, trip, straight gliding  
They ain't been digged yet  
They're just surviving  
We get that drop  
We don't do no hypin'  
Got shells 'round hips  
Bare corn been flying (Bow!)

About leave that machine, that's bollocks  
The noz can't fall off, it needs some tightening  
9Gang but the stress in the borough  
Dey legs like Fara, we ching like Vikings
