Mortal Kombat (Wack wack)  
That's the violence in the trap (Trap, trap)  
Mortal Kombat (Wack wack)  
That's the violence in the trap

I been chasin' paper notes  
Bakin' dough, shavin' votes  
Bop with confidence on road  
Makin' dough, case is closed  
Mash and slash with the booty hole  
Pray to the lord, rest up my bro  
Flashy shows, trendy clothes  
Gangdem step wherever I go

Got links to the sweetest waps  
Man just shell off the shows and trap  
Make prof', go abroad and rap  
Make a sweet one feel my plaits  
Baby bend your back up on man  
She's on me, she knows I'm that man  
Turn out, get blam, oh shit wrong clip, but the whole gang ran  
Now I'm in a crib with a bitch with tatts  
Two years back woulda been with cats  
I love all of the tours and that  
Labels, deals, awards and plaques  
Receive that cheque, convert to cash  
I felt that beat and turn that rap  
We get free drinks, I served that batch  
But you fell off, you're way too brass
