Unknown T

Cubans out, I'm still in the mud

Shout, "Hip, hip, hooray," cah boy got yucked  
New pendant on, I'm still in the mud  
Brrt, baow, we got that down now, boy got yucked-yucked, yucked-yucked  
Cubans on, I'm still in the mud  
Listen

Young and paid, I came from the mud  
Got socks or sticks in a whip or your ma  
Shout, "Hip, hip, hooray," cah boy got yucked  
New pendant on, but I'm still in the mud  
The back row's hot so I'm lucky my ankle ain't on tag  
We were raised up bad, shout, "Shout, "Hip, hip, hooray," cah we turned out—

The opps been boring, they ain't come back  
Man live what I rap so it ain't just chat  
Shell down Canada and I made raps  
Couldn't cop me a mortgage, I put in for whaps  
I'm directing a shoot real quick, bring the boots for the vid, call me Fletch, got daps  
Listen, load out the mash, creep up and attack, now they all wanna dash (Runner)  
My life too real, ain't my fault, man live this  
AM to murders, fucked up my business  
Can't stand any vials, fuck the witness  
I can't help it, bully the T or the Telford bags, let me whoosh that wish list  
She got a black but she won't let me hit it  
Spin round the block, nah, hit it  
Tell her bring it to me, bad man of a fidget

Young and paid, I came from the mud  
Got socks or sticks in a whip or your ma  
Shout, "Hip, hip, hooray," cah boy got yucked  
New pendant on, but I'm still in the mud

We were raised up bad, shout, "Shout, "Hip, hip, hooray," cah we turned out—

I was in A-cap, B-cap, did the last two months in the Ville, went straight to the marsh  
The label clocked that I'm way too hot so they had to go double up, live my advance  
A Hadouki got hit with a pump, he's just kept doing the TikTok dance  
Whenever gang bucking to opps in the Rockhouse, the governors ring the alarm  
All my life, man done mad shit, she don't know, she fully in shock, I'm fully involved  
Too hands on like I'm rowing a boat, I'm on the M-way and she still give me blows  
Listen, baby girl, fuck coughing, I ain't a gentleman, I'm rolled  
Listen, pretty girl with a tat on her arse, come arch and tip on your toes

Young and paid, I came from the mud
