

Waking Dream

Unleash the Archers

Wandering a waking dream while reaching for the light
As the day falls over into night
Centuries like flowing streams as years go rushing by
Waiting in the dark for afterlife

Wandering a waking dream while reaching for the light
As the day falls over into night
Centuries like flowing streams as years go rushing by
Waiting in the dark for afterlife

Wandering a waking dream while reaching for the light
As the day falls over into night
Centuries like flowing streams as years go rushing by
Waiting in the dark for afterlife

Wandering a waking dream while reaching for the light
As the day falls over into night
Centuries like flowing streams as years go rushing by
Waiting in the dark for afterlife

Wandering a waking dream while reaching for the light
As the day falls over into night
Centuries like flowing streams as years go rushing by
Waiting in the dark for afterlife
